Part 1: Notices

To Creditors: Your rights may be affected by this plan. You should read this plan carefully and discuss it with your attorney if you have one. If you oppose the plan's treatment of your claim or any provision of this plan, you or your attorney must timely file an objection to confirmation. Objections by any party other than the Chapter 13 Trustee must be in writing and filed with the court **no later than fourteen days after the date first set for the section 341(a) meeting of creditors**, unless otherwise permitted by the court. If this proposed plan was not filed at least nine days before the date first set for the meeting of creditors, objections must be filed within twenty-three days from the issuance of the Clerk's notice of the confirmation hearing that accompanies this proposed plan, or amended plan, unless otherwise permitted by the court. The plan may be confirmed without further notice if no objection is timely filed.

This plan does not allow claims. The fact that your claim is classified herein does not mean that you will receive payment. You must file a timely proof of claim to be paid.

Part 3: Treatment of Secured Claims

Secured Claims. Each holder of an allowed secured claim, which is paid in full during the life of the plan and for which the collateral is not surrendered, shall retain the lien securing the claim until the earlier of: (1) payment of the underlying debt as determined under non-bankruptcy law; or (2) discharge. Should this case be dismissed or converted before the plan is completed, the lien securing an allowed secured claim shall be retained by the holder to the extent recognized by non-bankruptcy law.

Adequate Protection Payments. Unless otherwise ordered, if a secured creditor is being paid through the Trustee, then all Section 1326(a)(1) adequate protection payments shall be made through the Trustee in the amount set forth in this Proposed Plan. The Trustee is not obligated to make any pre-confirmation adequate protection payments to a secured creditor until that creditor files a proof of claim.

Stay Relief. If relief from the automatic stay is ordered as to any item of collateral listed in Part 3, then the Trustee is authorized to cease all payments to the secured creditor.

3.1 Direct Payments Made by the Debtor on Secured Debts. The Debtor is not in arrears on the secured debts listed below and will directly maintain the current contractual installment payments, with any change required by the applicable contract that is noticed in conformity with any applicable rules.

Claim No. (if known)	Secured Creditor	Collateral	Current Installment Payment	Number of Payments Remaining

3.2 Cure of Arrearage and Maintenance of Payments. Any existing arrearage will be paid in full by the Trustee at 0% interest unless otherwise indicated. The Trustee will maintain the contractual installment payments, with any change required by the applicable contract that is noticed in conformity with any applicable rule. The amount of the arrearage and on-going payment listed in a creditor's timely filed and allowed claim controls over the amount listed below and such a creditor need not object to confirmation on the basis that this proposed plan does not accurately reflect the creditor's proof of claim.

Claims that are modified in a Chapter 13 plan must be paid through the Chapter 13 Trustee. The Trustee may pay the interest, secured principal and arrearage amount on an amortized basis over the life of the plan, and, thus, the total amount of interest may vary from the amount calculated. The amount listed in a creditor's timely filed and allowed claim controls over the amount listed below and the creditor need not object to confirmation on the basis that this proposed plan does not accurately reflect the creditor's proof of claim. Payment of a claim described in the final paragraph of section 1325(a) of the Bankruptcy Code may be listed here.

3.4 Other Treatment of Secured Claims. The Debtor proposes the following treatment:

Total Paid by the Trustee in Section 3.4:

3.5 Secured Claims that are Subject to a Separate Motion or Adversary Proceeding Based on Valuation. This Plan does not value claims. To value a claim pursuant 11 U.S.C. 506, the Debtor must file and serve a separate motion pursuant to Fed. R. Bankr. P. 3012, 7004, 9014(b), or, as applicable, file an adversary proceeding under Fed. R. Bankr. P. 7001, or submit an agreed order resolving value. The information provided below is for information purposes only, and the Debtor's valuation stated herein is subject to change, without the need to modify the plan, based on the resolution of any motion or adversary proceeding on valuation, or pursuant to the terms of an agreed order regarding valuation. The amount of the creditor's claim in excess of the Debtor's valuation for the collateral shall be treated with other general unsecured claims and paid pro rata provided that the creditor timely files a proof of claim. If an order is entered treating the claim as wholly unsecured then the creditor's lien will be avoided pursuant to 11 U.S.C. 506.

Claim No. (if known)	Creditor	Collateral	Amount Owed	Debtor's Valuation / Amount Secured	Interest Rate	Total Paid In Plan
	Credit Acceptance	2008 BMW 328xi	\$6,982	\$5,700	6.00%	\$6,663.89
						\$0.00
						\$0.00

3.6 Lien Avoidance. This plan does not avoid judicial liens or nonpossessory nonpurchase money security interests under 11 U.S.C. 522(f). To avoid such liens, the Debtor must file and serve a separate motion on the affected creditor(s) pursuant to Fed. R. Bankr. P. 7004 and 9014(b). The Debtor may at a later date seek to avoid a judicial lien held by a creditor not listed below. The information provided below is for information purposes only, and the information provided is subject to change, without the need to modify the plan, based on the resolution of the Debtor's motion to avoid lien. The monthly payment amount and the duration of payments is subject to the Trustee's discretion. The amount of the creditor's avoided lien, if any, shall be treated with other general unsecured claims and paid pro rata provided that the creditor timely files a proof of claim. The Debtor discloses the intention to avoid liens held by the following creditors:

Claim No. (if known)	Creditor	Collateral	Estimated Remaining Lien Value, if any	Interest Rate	Total Paid In Plan
					\$0.00
					\$0.00
					\$0.00
					\$0.00

3.7 Surrender or Sale of Collateral. For property the Debtor proposes to sell, a separate motion and proposed order must be filed which provide the details of the sale. Court approval must be obtained for the hire and use of a professional to sell property. After the payment of secured debts and the costs of sale, all net proceeds shall be paid to the Trustee for distribution. Property to be sold by the Debtor that is not sold in the applicable time period listed below will be surrendered to the creditor unless the Trustee or Debtor requests additional time, or unless the Debtor modifies the plan to retain the collateral and cure existing defaults. A secured creditor entitled to a deficiency claim must file that claim within 90 days of the date that the real or personal property is surrendered, or within 30 days of a sale that is conducted by the Debtor, unless otherwise ordered by the Court. Any allowed unsecured claim resulting from the disposition of the collateral will be paid pro rata with all other general unsecured claims. The Debtor requests that upon confirmation of this plan the stay under 11 USC 362(a) and 1301 be terminated with respect to surrendered collateral. This request is not a motion, is not governed by 11 USC 362(d) or (e), and no fee is owed.

Part 4: Treatment of Fees and Priority Claims

4.1 General. Unless the holder of a priority claim agrees to different treatment, Trustee's fees and all allowed priority claims, including domestic support obligations other than those treated in Section 4.4.1, will be paid in full without post-petition interest. Any agreement for different treatment should be formalized in a joint stipulation between the priority creditor and the Debtor and be filed with the Court.

4.2 Trustee's Fees. The Trustee's fee are governed by statute and may change during the course of the case. Trustee's fees are estimated to be 10% of the Total Plan Base

\$139,750.00	Total Plan Base as stated in Part 2
\$13,975.00	Total Estimated Trustee's Fee

4.3 Attorney's Fees. After a debtor's Chapter 13 plan is confirmed, the Chapter 13 Trustee shall pay all outstanding attorney's fees concurrently with any secured debt payments and any domestic support obligation that is to be paid by the Trustee, provided, however, that funds are to be applied first to long term mortgage debts paid through the Trustee, second to equal monthly payments to other secured creditors, third to domestic support creditors, and only then to attorney's fees. Attorney's fees are to be paid, in-full, before any plan payment is applied to an arrearage claim or before payment is applied to any other priority or unsecured debts.

\$5,000.00	Total attorney's fee
\$1,600.00	Amount received pre-petition
\$3,400.00	Amount to be paid in the plan by the Trustee

4.4 Domestic Support Obligations. If the Debtor has domestic support obligations, use only the initials of minor children and do not list confidential information.

4.4.1 Domestic Support Obligations Assigned or Owed to A Governmental Unit and Paid Less than the Full Amount. The allowed priority claims listed below are based on a domestic support obligation that has been assigned or is owed to a governmental unit and will be paid less than the full amount of the claim under 11 U.S.C. 1322(a)(4). This plan provision requires that payments in Part 2 be for a term of 60 months.

Part 5: Treatment of Non-Priority Unsecured Claims

5.1 Direct Payments Made by the Debtor on Unsecured Debts. The Debtor is not in arrears on the unsecured debts listed below and will directly maintain the current contractual installment payments, with any change required by the applicable contract that is noticed in conformity with any applicable rules.

Claim No. (if known)	Unsecured Creditor	Type of Debt (e.g., student loan, co-debtor claims, executory contracts, unexpired leases, etc.)	Monthly Payment	Number of Payments Remaining

5.2 Maintenance of Payments and Cure of any Defaults on Unsecured Claims. Any existing arrearages will be paid in full by the Trustee at 0% interest unless otherwise indicated. The Trustee will maintain the contractual installment payments, with any change required by the applicable contract that is noticed in conformity with any applicable rule. Unless otherwise ordered by the court, the amount listed on a timely filed proof of claim controls over any amounts listed below as to the current installment payment and arrearage and such a creditor need not object to confirmation on the basis that this proposed plan does not accurately reflect the creditor's proof of claim. In the absence of a contrary timely proof of claim, the amount stated below is controlling. If relief from the automatic stay is ordered as to any of the debts listed below, then the Trustee is authorized to cease all payments to the unsecured creditor.

5.3 Other Separately Classified Non-Priority Unsecured Claims. The Debtor proposes the following treatment:

--	--

Total payments, if any, made by the Trustee in Section 5.3:

5.4 Non-Priority Unsecured Claims Not Separately Classified. Allowed non-priority claims that are not separately classified will be paid pro rata. Payment of any dividend will depend on the amount of secured and priority claims allowed, payments to separately designed classes, and the total amount of all allowed unsecured claims. No payment will be made until unsecured priority claims are paid in full, and no payment will be made on scheduled claims unless a proof of claim is filed. The value as of the effective date of the plan of property to be distributed in the plan on account of each allowed unsecured claim is not less than the amount that would be paid on such claim if the estate of the Debtor was liquidated in Chapter 7 of the Bankruptcy Code on that date.

5.5 Special Provisions Governing Student Loans. This Plan does not provide for discharge of a debtor's student loan obligation. Discharge of a student loan requires a separate adversary proceeding. The debtor shall be allowed to seek enrollment in any applicable income driven repayment plan with the U.S. Department of Education and/or other student loan servicers, guarantors, etc., without disqualification due to the debtor's bankruptcy provided that the debtor otherwise qualifies for an income driven repayment plan. If the debtor qualifies and enrolls in an income driven repayment plan, the debtor shall notify the Chapter 13 Trustee within 30 days of the amount of such payment and of any subsequent change in that payment. It shall not be a violation of the automatic stay or confirmation order for an educational lender, servicer, or guarantor to sent the debtor normal monthly statements regarding payments due and other communications including, without limitation, notices of late payment of delinquency.

Part 8: Non-Standard Provisions

8.1 Non-Standard Provisions. A non-standard provision is a provision not otherwise included above. Non-standard provisions are listed here and/or in Paragraphs 3.4 and 5.3.

Due to age of tax debt and unlikelihood of collection of this debt except in this Chapter 13 case, it is the intent of debtors to enter into an agreement that upon collection of the priority tax and a prorata distribution of the penalty at the same percentage as other unsecureds, that the tax debt will be discharged and considered paid in full.

Total payments, if any, made by the Trustee in Section 8.1:
